Marketing Supply Chain Management

3P delivers – Customized solution, Maximum Profit & a Seamless Experience.

Customized Solution

3P recognizes that every industry has different customers, each with different marketing requirements. To design a solution, we team up with upstream marketers and assess your business needs individually. Then we design and deliver a solution that enhances the effect of your marketing campaign; **Every Single Time.**

Maximizing Profit

At 3P you will save up to 30% of your current costs of transportation, warehousing and labour. In addition, you will save a significant amount of time in coordinating delivery. With our highly advanced shop floor data collection technology, operational inventory is monitored continuously, avoiding mixing of product.

Result- you invest less and produce more and earn more!

Experience

For 3P, customer experience is at the forefront of the solutions you get. In a marketing campaign, time management plays the most important role - getting the right message to the right customer at the Right Time! And that is what we do for you - maintain the time discipline of delivering your promotional materials to the right place at right time using our extensive distribution network.

You will be at ease while we work for you!
